

20W LED flood – 1600 lumens, 3000 kelvin (warm white)

20W flood

Distance
2 running meters.

20W flood

Distance
1,5 running meters.

30W LED spot – 2400lumens, 3000 kelvin (warm white)

Spot

Distance
1,5 running meters.

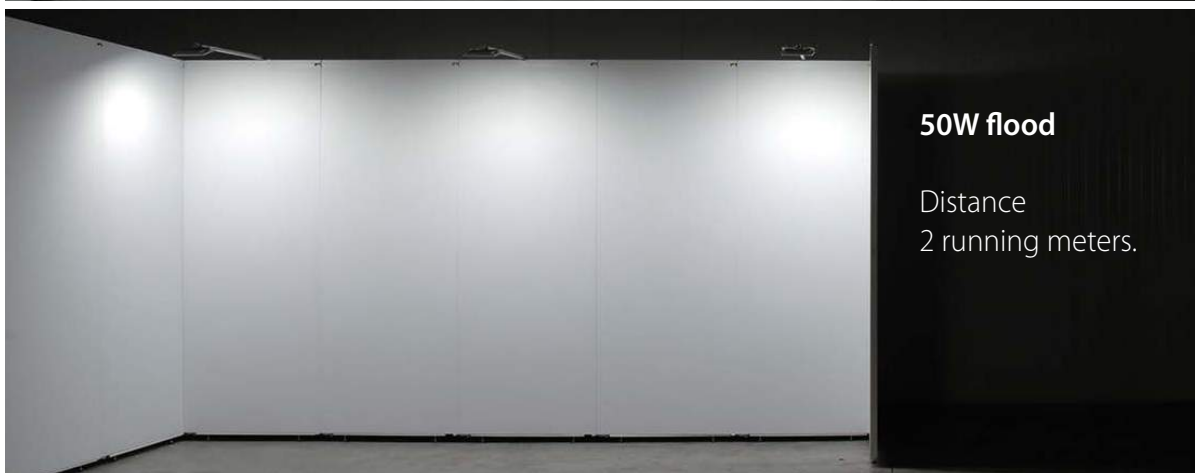

Spot

Distance
1 running meter.

50W LED flood – 4000 lumens, 4000 kelvin (day white)

Upper beam -
alluminium frame
for electric cables,
lights attachment,
panel distancing.

Wiring hidden in
cable channels
underneath the panel.

Var būt tomēr vajag pieminēt, ka mums ir visām visām valstīm
piemērotas adapteru sistēmas, kā arī energopievades tālvadības
operētājsistēmas. Izklaušīsies gudri.

Easy art hanging
