## Specially-designed walls for art exhibitions

### Lightweight and stable, cost effective

Solid wood frame covered with 6mm MDF layers, filled with cardboard honeycomb.

Fire-resistant coating approved by Inspecta.

Pictures and objects can be attached using nails or screws.

CNC finishing for the panels ensure maximum accuracy.  
Ecological water-based paint finishing with optimal light reflection.  
Improved panel repair.

The walls are made of natural and recycled materials that meet EU and Swiss standards and requirements
